

Hospital Marketing Services Co. Inc.

HMS is pleased to announce the introduction of two new instant thermal therapy products.

Product Bulletin

Infant Thermal Supplies

Infant Thermal Mattress - single use

Activate gel mattress with a metal snap for single use. Delivers consistent heat for up to 2 hours. Ideal for transportation of neonatal patients and prevention of hypothermia. Portable and convenient, eliminates the need for electricity or wires and helps absorb vibration during transport.

Code No.	Description	Hospital Price Per Case
V6390	Infant heat therapy mattress, 6 each per case	\$ 106.56

Infant Heel Warmer - single use

Instant gel and liquid infant heel warmer for single use. Activated gel delivers more controlled heat release. Comes with adhesive tape strap attached.

Code No.	Description	Hospital Price Per Case
V6391	Instant Gel Heel Warmer, 25 per box, 4 bxs/case	\$ 75.00
V6393	Liquid Heel Warmer, 25 per box, 4 bxs/case	\$ 75.00
