### **About Hospital Marketing Services...**

From its early start in a small facility in 1965, HMS has rapidly grown to become a prosperous manufacturer and marketer of products specifically geared toward therapies requiring hot and cold thermal products. Today, our corporate headquarters and manufacturing facility is located amidst the scenic rolling hills of Connecticut and we have been a supplier to major distributors in the hospital products field since. HMS has built a solid and compelling reputation based on competitive pricing, on-time deliveries, and a reliable product.

### **How We Can Help You...**

Request our e-mailing of product releases and update bulletins. Visit us at [www.HMSmedical.com](http://www.HMSmedical.com) or call a customer service representative for product samples and current pricing.

## Conversion Chart Information

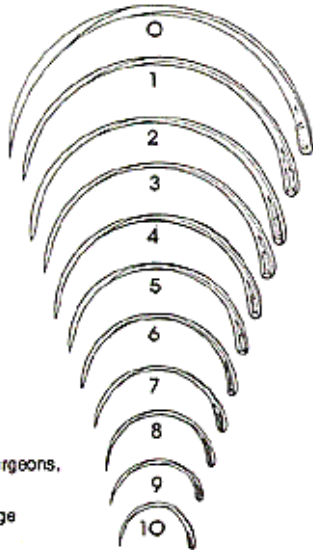

Use this chart as a guide in determining corresponding styles of listed manufacturers. In some instances exact conversions are not possible. HMS will provide samples of the closest needles for comparison. Most special needles can be closely approximated. For the fastest and most exact duplication, send sample needles to HMS.
